

Icicle Kisses

Kansas Troubles Quilters

When I awaken after the first snowfall to frosted windowpanes and icicles gleaming in the sun, hanging from the rooftops and kissing the trees, I know Christmas can't be far away. Gift yourself with time to lounge by the fire with a cup of tea,

savoring warm memories and good friends from the past year. Curl up under your *Icicle Stars* quilt surrounded by evergreen trees and dream of all the possibilities for the coming year. 🌲
