

# CHESTNUT STREET FIG TREE & CO

Inspired by a recent flea market find, this collection is an interpretation of my beloved “farmhouse-chic” feel that we introduced with Farmhouse. With Chestnut Street, I’ve have mixed a few of my favorite vintage fabrics with several hand-drawn prints for a fun, eclectic mix of retro and fresh!

Created around a wonderful floral print that came to me as a vintage kitchen curtain, this grouping is filled with retro florals, versatile fillers and background prints! Based around colors like Pomegranate, Fern, Chestnut and Pumpkin, Chestnut Street is a perfect color blend of summer and fall!
