by *Sandy Gervais*

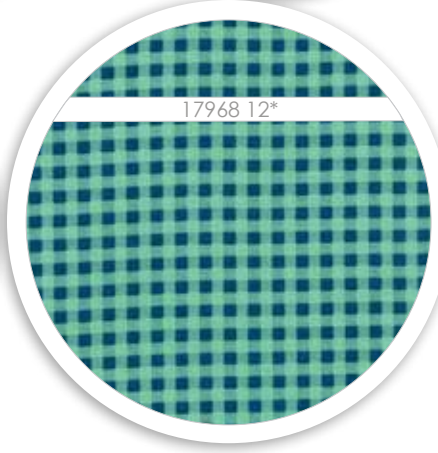

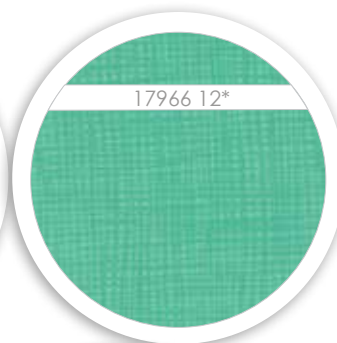

With a few deft strokes of a paintbrush, Sandy Gervais speaks from her heart with color and paint. Mixing expressions of joy and kindness with whimsical flowers and quirky textures, Sandy celebrates life with a vibrant color palette of Peacock, Geranium, Pesto and Citrine.

Use the prints and panel to express your creative spirit with quilts and accessories – the panel squares are ideally suited for pillows and tote bags, as framed wall art, or mixed into quilts.
