Making Easy Corner Triangles (ECTs) for Star Points

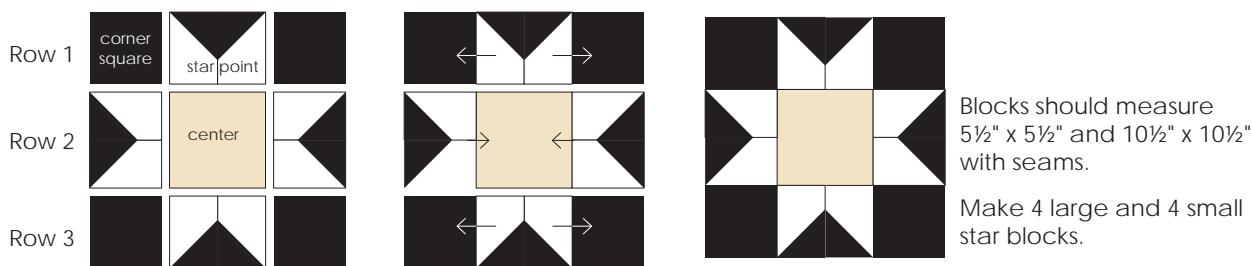

1. Draw a diagonal line on the wrong side of the 1½" dark squares. Mark 4 lines to the right and 4 lines to the left. With right sides together align edges of light rectangle and marked square. Stitch on marked line. *See diagram.*
2. Trim ¼" away from the sewn line. Do not trim away background fabric. Press toward arrow. Unit should measure 1½" x 2" with seams.
3. Make 8 matching units - 4 left and 4 right- for **each** small star block.
4. Stitch 1 left and 1 right unit together to make a star point. Make 4 matching star points for each small star blocks. *See diagram.*
5. Repeat Steps 1-4 using the 2½" x 2½" dark squares and the 2½" x 3½" light rectangles to make 8 matching units - 4 left and 4 right- for **each** large star block.

Building Large and Small Stars

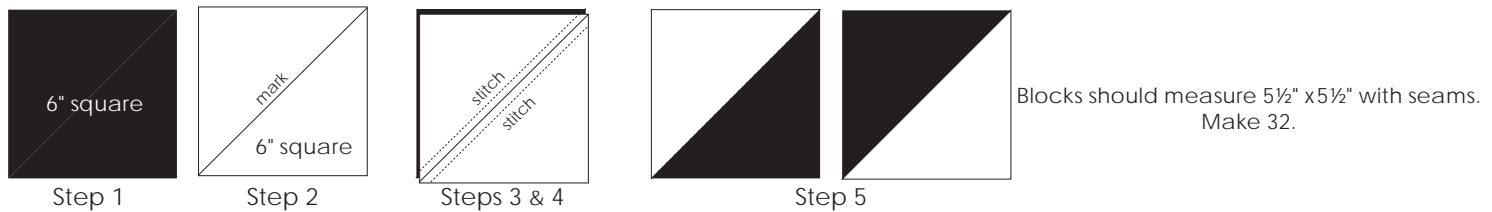

1. Each star block requires 1 center square, 4 matching corner squares and 4 matching star points.
2. Layout block in 3 rows of 3. *See diagram*
3. Stitch rows press Rows 1 and 3 towards corner squares. Press Row 2 toward center.

4. Stitch $\frac{1}{4}$ " on opposite sides of the marked line. Cut on marked line to make 36 large half square triangle blocks.
5. Trim blocks to measure $5\frac{1}{2}$ " x $5\frac{1}{2}$ " with seams. *See diagram.*

Building HST 4-Patches

1. Select and stitch 16 pairs of HST blocks. Press toward arrows. *Note: pairs should not match.*
