

EBB AND FLOW

I grew up not far from the white cliffs of Dover and have always loved being by the sea; not on the hot, busy days but on the blustery, windswept and bracing ones when we have the place to ourselves and come home feeling exhilarated with rosy cheeks and cold toes.

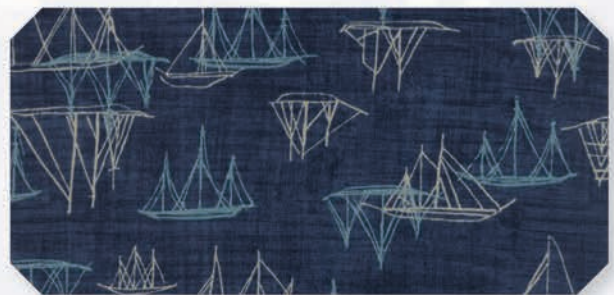

Every few seasons I design a coastal collection full of boats, whales, gulls and shells in my favourite indigo colour palette and here is 'Ebb and Flow' all ready to be made into quilts inspired by our cherished carefree days by the seaside.

First collection – Hearty Good Wishes in 2013

First time you saw your name on the selvage – It was a dream come true and I still get a thrill when I see it there today.

Favorite Quilt Market memory – When I arrived in Houston to set up for my very first Quilt Market debuting my first collection, I was all by myself. I was welcomed by Mark Dunn himself when he walked up and gave me a big hug "hello". While that was lovely, I was so tickled to see that he was wearing a shirt made from my new fabric!

Favorite pre-cut – I think the candies are very sweet. (The Moda Mini Charms.)

Years sewing and quilting – I've been sewing for as long as I can remember, and I've been quilting for about 20 years or so.

Who taught you to sew – My Mum, my Granny and my Aunt Nell.
