

TAHOE SKI WEEK

MARA PENNY

The sparkle of freshly fallen snow.

The squeaky crunching sound of my rigid ski boots as I walked out to the slopes carrying my skis and poles. The feeling of my wet gloves and the warm smell of the ski lodge all bring me back to my youth. I was lucky enough to grow up in the Sierra Nevada mountains of Lake Tahoe. The Tahoe Ski Week Collection was inspired by my childhood and the winters spent on those beautiful snow-covered mountains.
