## CUT & SEW CHRISTMAS COUNTDOWN CALENDAR

### CUT AND SEW CHRISTMAS COUNTDOWN CALENDAR BY GINGERBREAD

**INSTRUCTIONS:**

1. Cut out the 25 pockets & the calendar panel along the black dashed lines.
2. Fold under the white edges of each pocket on the sides and top & then press.
3. Stitch the top of each pocket.
4. Place the first row of the pockets face down on the background panel so that the exposed bottom of each pocket lines up with the bottom edge of the squares on the panel. Stitch bottom edge into place.
5. Flip the pockets up and press along the bottom of the first row, then attach the left & right side of each pocket into place.
6. Repeat for each row of pockets until the entire front of the advent calendar is made.
7. Taper panel and backing fabric's right sides together, placing backing on interfacing on the bottom. Stitch around edges leaving top edge open from right side and avoid quilting if desired.
8. To display, use fabric on the left of the panel to create a hanging strip. Attach to the top of the advent calendar of each and prior to closing the top seam.
