

Sunny Day Batiks

moda

Keep your *face* always to the *sunshine*
and the shadows will *fall behind you*.

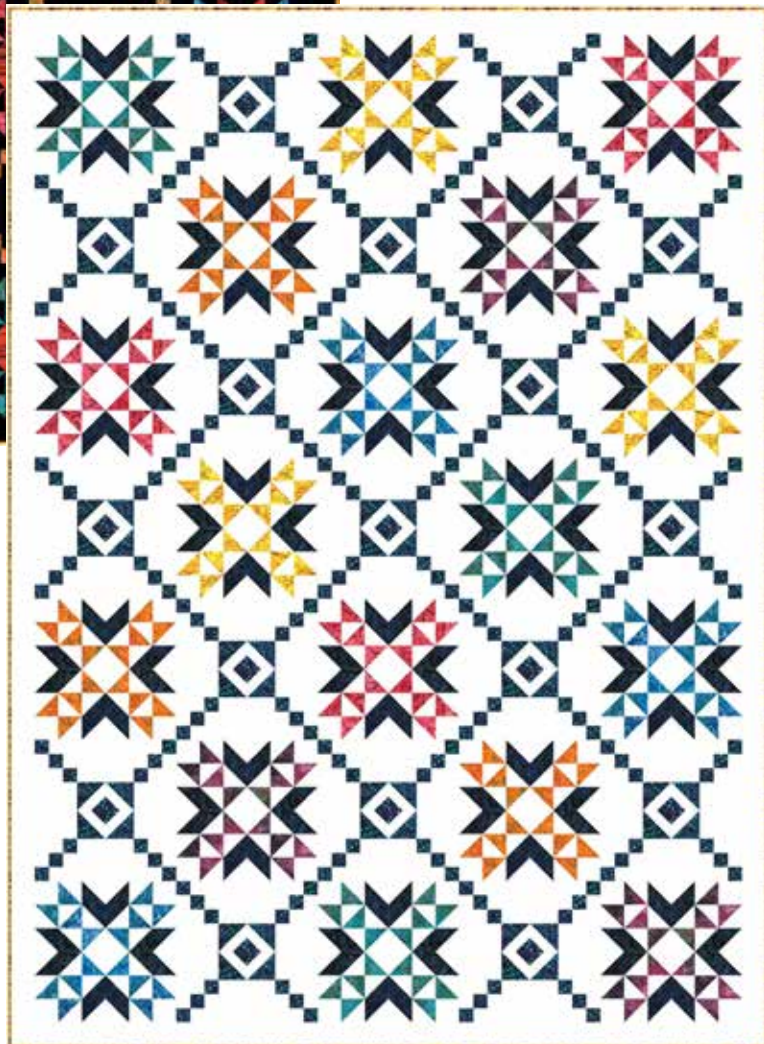

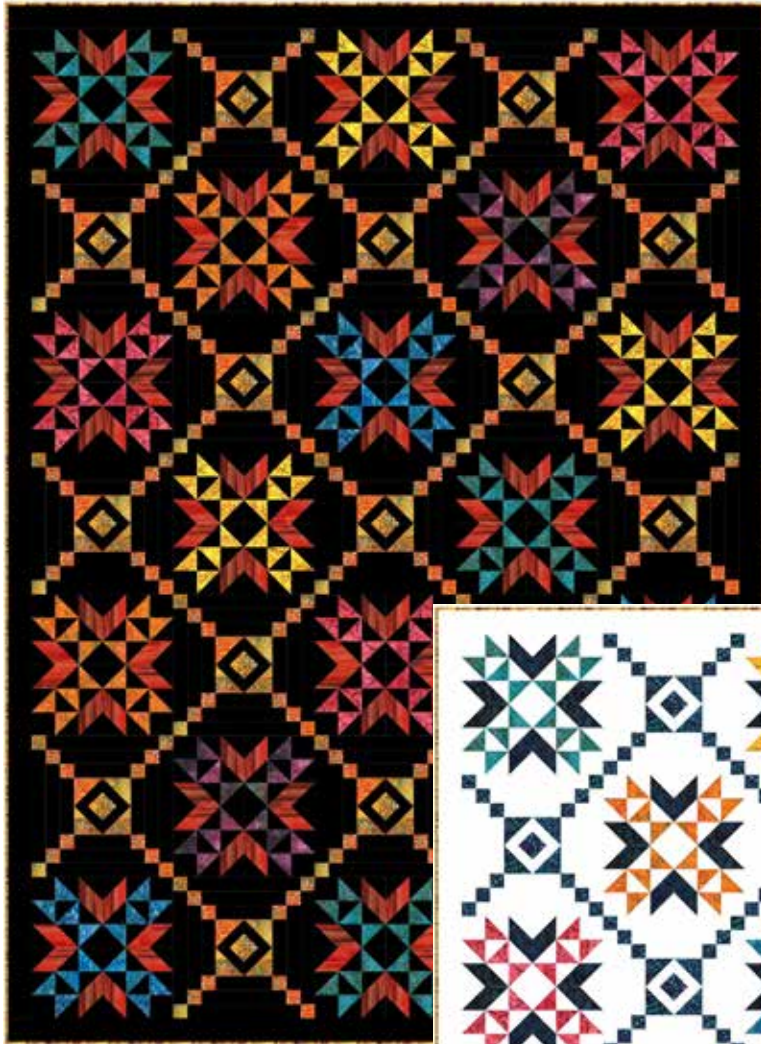

-Walt Whitman

There is sunshine in our soul with this collection. Filled with flowers, butterflies, and prints that evoke dew drops and pools of water, these batiks are colored with hues reflecting the intensity of light in the shadows, and the bright light, of a sunny day.

Did You Know?

Batiks are created by using wax as a dye repellent. The fabric then goes through multiple dye baths of different colors. The wax is then removed to reveal colorful and intricate designs.
